The management of the Hariharapur matt endowments in the Koppa Taluk, was, under orders of Government, taken over from the Swamiji in 1893, as he was a minor and the affairs of the Institution were mismanaged by

With reference to the Demand's query, I beg to state that the question of Gundayya's liability to give to the mutt 15 maunds of rice was raised by the District Magistrate Assistant Commissioner in his order to the Amildar (no 284 dated 10th Nov 1898). The latter thereupon took down a statement from the said Gundayya on the 13th December 1898 (vide paper no 49 in the Vernacular File). In this statement, Gundayya stated that Bellinah asked him at the time

of

(6)

of attachment of the 21½ maunds of salt belonging to Krishnayya, not to include 15 maunds due to the mutt; that he (Ramchandra) agreed to do so; but that Ballinh demanded to give to the mutt 15 maunds of salt of choice quality and that therefore he did not consent to this arrangement. He also stated that as Ballinh's claim was rejected in the Civil Court, he was not responsible for the salt due to the mutt and that he brought the whole quantity of salt, viz 21½ maunds in full satisfaction of his own Decree obtained for the amount due to him by Shankarlinga Krishnaiah.

Submitted 20/11/02 KV

There is no privity of contract between Govt (as representing the Watt) and Gunda Raya, the decree holder. Gunda Raya too, although he at first consented to give 15 Marcals of nut, subsequently withdrew his consent.

Ballah, the Mukkadam was bound to duly recover the produce due to Govt on behalf of the Watt and having failed to do so, the Govt has recovered the value thereof from him. Under these circs, it is my humble opinion that the Mukkadam's remedy lies against his former lessee Sanakoda Krishnayya or from the decree holder Gunda Raya, and not against Govt.

Sir,

With reference to Government
Official Memorandum No 487 of
the 20th September 01 forwarding for
report the petition of Bellaiah Mukaddi
of the Harikarpur matt re-the recovery
from him the value of 15 maunds of
areca-nut due to the Harikarpur
matt in the Koppa Taluk, I have
the honor to state that it appears
from the records that the margi-
-nally noted inam
land belonging to
"Saradamma nayaki" of the Harikarpur
matt in the Harikarpur village
was leased out to one krishna
on condition of his paying to
the

the matt every year 15 maunds of areca-nut and that he continued to pay the stipulated areca-nut till 1897-98 though it is stated that he sold his right to one Gunde Rao in 1893

2. This Gunde Rao sued against Krishnia for another sum of Rs 200/- due to him and got the Crop of the matt land together with other properties attached through the Munsiff of Yedekalli before whom a claim by the Mutsaddi on behalf of the matt was made and was rejected.

3. The Amildar's report No 89 of the 20th August 1898 points out the negligence of the Mutsaddi Bekiah in refusing to accept on behalf of the matt the 15 maunds areca-nut which Gunde Rao offered before its attachment and further his unwarranted interference with regard to the Cultivation of the land of which he dispossessed Krishnia by leasing it out to one Chikka

4. As it was ascertained that

Areca-nut

area not to the extent of 15 maunds would have been recovered, had it not been for the neglect and unwarranted interference in the matter by the Mutsaddi the value of the same was accordingly ordered to be recovered from him

5. English Memo dated 24-8-1898 by the District Inspection Officer gives a detailed account of the case on which the order in question was passed (Vide Serial No. 48/13 in Vernacular records).

6. The petitioner's appeal is against this order.

7. The Vernacular records on the subject in two files together with the petition received with the above are herewith forwarded for reference and kind return.

No. 1081

By Order,

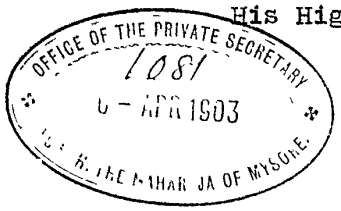
I. C. S.
Private Secretary
to H. H. The Maharaja of Mysore

tt

in

To

His Highness Sri Krishna Rajendra Oodayar Bahadur,
Maharaja of Mysore,
MYSORE.



The humble petition of Belliya resident at Kigga, in the taluk of Koppam, Kadur District most res-pectfully showeth.

That the petitioner is a very poor and humble subject of your Highness and was the Muthsaddi of Hari-harapoor Mutt now under Government management and for no fault of his is directed by the Muzaroi department to make good 15 maunds of arecca nut or its value which is a large sum considering the poverty of the petitioner.

That the petitioner most respectfully and humb-ly begs to submit that there is a failure of justice in this case for the following reasons:-

(1). That the reason adduced by the Deputy Commis-sioner ior demanding the value of the arecca nut from the petitioner was that he took possession of the Mutt land from Krishnaia in undue time and that therefore the Mutt was put to loss, (Vide order of the Deputy Com-missioner No.610 dated 14-4-99); whereas the reason now put forward by the Government in its proceedings is that the petitioner failed to receive the nuts from Munde Rao who is represented to have offered it and subsequnt-ly withdrawn his offer(Vide Government proceedings here-with produced).

2. That the petitioner never interfered with Krishnaiya's possession in his own account but was order-ed to do so by the Amildar (Vide order dated6/7 January 1898).

3. That from 1895 up to the year 1899 the right of recovering the produce due from the ryots of the Mutt was being directed to be sold by auction, and for the year 1897-98 the petitioner included this item also in

sale of this item.

4. That the claim in the Civil Court and the pro--ceedings taken therein were all at the direct orders of the Amildar (Vide order dated 10/11th Dec.1897.).

5. Gunde Rao's statement in the Munsiff's Court was to the effect that he was Mulgeni tennant and as such would pay the goothige adike, but the Amildar refused to recognize him as Mulgeri tennant and Gunde Rao was never put in possession and so he never gave any guthige adike (Vide endorsement to Gunde Rao dated 17-4-94 by the Amildar and the orders on Gunde Rao's petition dated 14-4-96); and the petitioner is in no way responsible for this; and until a copy of the proceedings of the Government was obtained by the petitioner he never knew that he was to answer thi rge.

6. The petitioner for direction to file a suit against the said Gur o as soon as the claim was disallowed by the Munsiff, but the authorities did not give the permission.

7. That the petitioner is in no way responsible for the loss of Mutt.

8. That he was not given a fair opportunity to ex--plain his case.

9. That the matter is one which comes properly within the jurisdiction of a Civil Court.

For these reasons the petitioner most respect--fully prays that your Highness will be pleased to set aside the order now passed in the Muzaroi Department.

The petitioner begs to remain,

Sir,

With reference to your docket no 1313 muz:F-95-92 of the 15th December 1902 calling for further particulars about the Harisharpur matt lands in the Koppa Taluk I have the honor to state that garden S no: 68 which was in the holding of one Krishnaiyya till 1897-98, appears to have been taken by Belliah, mutsaddi of the matt in 1898-99 under his cultivation on his own responsibility and the land yielded in that year only 6 maunds of areca nut, the fall being due to "Koleroga". In 1899-00 the Amildar of the Koppa Taluk leased out the said garden for one year to one Doddani Subbaroya for 6½ maunds of Supari. Next year the said garden remained under the direct management of the Amildar who got its Supari produce of 24 maunds reaped at a cost of Rs 12-8-0. In the following . the Amildar leased out the said land to one Subba Bhatta as noted in the margin.*

1904-05 ... 11 maunds

Forwarding the file of Vernacular papers ending with Koppa Amildar's report No. 505 & 12.1.06 containing the record of enquiry in the matter of the complaint of one Bellah against Venkata Chaliah, the Parpatagar of Kigga temple.

From

To

L. Anantasami Rao Esq B.A.,
Secretary to the Govt of Mysore,
Muzrai Department

Sir,

I have the honor to forward herewith the file of Vernacular papers ending with Koppa Amildar's report No 505 dated 12th January 06, containing the record of enquiry in the matter of the complaint of one Belliah against Venkatachalayya, the Parpatheyar of Kigga temple. The enquiry appears to have been conducted in accordance with your personal instructions to the Taluk Sheristadar at Kigga during your recent tour

2 The Amildar reports that 3 out of 4 allegations made by Belliah are unfounded, and that he would insist upon the Parpatheyar producing the necessary vouchers for the lump sum expenditure shown in respect of certain items and that he would also conduct local enquiry when he visits the place.

3. I may add here that a great deal of ill-feeling

ill-feeling is reported to exist between this Parpathegar and some temple servants and others of Kigga, and as the outcome of that feeling several petitions have been received against him. The former Auditor Mr. Ball had reported that chiefly on this ground, it would be desirable to remove this man and have another reliable pensioner appointed in his place. Mere unpopularity would not, however, be sufficient reason for the removal of the Parpathegar a t from proof of specific malfeasion o s part. I have therefore issued orders t - Auditor to watch the work of this Pa thegar for some time, and to see to accounts &c. of the temple are properly u tained and the same certified by one of the Dharmadarsies, the Shekdar also being required to certify the expenditure during occasions of special Utsavams and Sanctumpanes, &c. This system may continue till the rules relating to Dharmadarsies are revised to allow of better supervision being exercised in these matters.

4. I shall also take the opportunity of visiting this institution during my next tour in that

that side and personally satisfy myself
as to the actual state of affairs.

I have the honor to be,

Sir,
Your most obedient servant
